## Instructions:

- 1) Print this page using the landscape orientation.
- 2) Color or decorate the mask above using crayons, markers, paints, pencils, glitter, or any other supplies you have on hand.
- 3) Cut along the solid outline and poke holes in each corner. (Ask an adult for help with this step)
- 4) Fold the mask in the center to help shape it around your face.
- 5) Attach string, ribbon, or yarn to each corner and use it to tie the mask over your face, covering your mouth and nose\*.

**\*NOTE: This is an art activity and not intended to be a face covering for healthcare protection.**
